Day # _____ of the Fast

My Meditation Scripture for Today: Personalize your Scripture and write it out by hand below. Read or say it aloud several times a day. Refocus your thoughts on it throughout the day.

Use the space below to write your personalized meditation Scripture in the form of a prayer to God, recognizing that His promises in that Scripture are yours, and thanking Him for them. Address your prayer to God personally as if writing a letter or having personal conversation with Him. Invite God to join in on the conversation, and invite His Holy Spirit to speak directly to you. Expect that He will.
